In compliance with the Funerals Act 2006 (Vic)

F. Greed & Sons have created an itemised price list of our goods and services. All prices include GST.

When families meet with one of our experienced Funeral Arrangers and decide on which funeral options best meet their needs, they will be provided with a Statement of Funeral Costs which is a comprehensive Estimate on all expected costs.

As it is impossible for F. Greed & Sons to anticipate or estimate the individual requests and requirements of all families that we serve, from time to time it may be appropriate for fees not specifically listed in this brochure to be charged.

Examples of this may be an additional Professional Service fee for funerals with a high degree of organisational complexity and F. Greed & Sons involvement, or for special merchandise requirements. Such fees will be fully discussed once the nature and extent of these additional fees are known.
