

Andy's family would love you to keep telling those stories. There is a memory book with the refreshments today, and Helen and the children would especially love you to fill it not simply with condolences, but with Andy.

Tell them something they might not know. Write something he said. A ridiculous story. A moment of kindness. Something that still makes you laugh.

Give them another little piece of Andy to keep.

In Loving Memory of

ANDREW THOMAS CRAIG

10TH OCTOBER 1979 - 12TH AUGUST 2026
