FOOTPRINTS IN THE SAND

One night I had a dream...

*I dreamed I was walking along the beach
with the Lord,
and across the sky flashed scenes from
my life. For each scene I noticed two sets
of footprints in the sand; One belonged
to me, and the other to the Lord. When
the last scene of my life flashed before
us, I looked back at the footprints in the
sand. I noticed that many times along the
path of my life, There was only one set of
footprints.*

*I also noticed that it happened at the very
lowest and saddest times in my life
This really bothered me, and I questioned
the Lord about it.*

*“Lord, you said that once I decided to
follow you,
You would walk with me all the way;
But I have noticed that during the
most troublesome times in my life,
There is only one set of footprints.
I don't understand why in times when I
needed you the most, you should leave me.*

*The Lord replied, “My precious, precious
child. I love you, and I would never,
never leave you during your times of
trial and suffering.*

*When you saw only one set of footprints,
It was then that I carried you.*
