

Just a Farmer

Helen G. Coon

'Just a farmer' you said and I laughed 'cause I knew,
all the things that farmers must be able to do.

They must study the land then watch the sky,
and figure just when is the right time and why

To sow and to plant to buy and to sell,
to go to the market with cattle and well...

You know the books that farmers must keep,
to pay all those taxes and be able to sleep.

And you know the fixin' that farmers must do,
when machines like mad monsters blow a gasket or two.

I guess when God needed folks to care for His earth
He chose "just farmers" cause He knew their true worth.

Thank you

Henry's family extend a heartfelt thank you
for your presence with them today,
to celebrate a husband, father,
grandfather and great grandfather.
