**HYMN**

*'I Vow to Thee, My Country'*

*I vow to thee, my country, all earthly things above,  
Entire and whole and perfect, the service of my love;  
The love that asks no question, the love that stands the test,  
That lays upon the altar the dearest and the best;  
The love that never falters, the love that pays the price,  
The love that makes undaunted the final sacrifice.*

*And there's another country, I've heard of long ago,  
Most dear to them that love her, most great to them that know;  
We may not count her armies, we may not see her King;  
Her fortress is a faithful heart, her pride is suffering;  
And soul by soul and silently her shining bounds increase,  
And her ways are ways of gentleness, and all her paths are peace.*
