

*You guided us with quiet strength
And showed us how to care
We will forever feel your love
In all the memories we share*

*Your hands built such a solid path
Your heart was kind and true
We promise to remember
And will always cherish you*

POEM

Let Me Go (Written By Christina Rossetti)

*When I come to the end of the road
And the sun has set for me
I want no rites in a gloom filled room
Why cry for a soul set free?*

*Miss me a little, but not for long
And not with your head bowed low
Remember the love that once we shared
Miss me, but let me go.*

*For this is a journey we all must take
And each must go alone.
It's all part of the master plan
A step on the road to home.*

*When you are lonely and sick at heart
Go to the friends we know.
Laugh at all the things we used to do
Miss me, but let me go.*

VISUAL DISPLAY

*Montage of Bob's life
