

The Tale of Two Wolves

- Cherokee Tale

There is an old, old story about a Cherokee Indian Elder who was teaching his grandson about life.

The wise old man said to the young boy,
"A fight is always going on inside of me.
It is a terrible fight and it is between two wolves.

One wolf is EVIL

- He is Anger, Shame, Envy, Sorrow, Regret, Greed, Arrogance, Self-Pity, guilt, Resentment, Inferiority, Lies, False Pride, Superiority, Self - Doubt, and Ego.

The other wolf is GOOD

- He is Joy, Peace, Love, Hope, Serenity, Humility, Kindness, Benevolence, Empathy, Generosity, Truth, Compassion, and Faith.

The same fight is going on inside of you
and inside of every other person, as well."

After the grandson thought about it for a minute or two,
he asked his grandfather, "Which wolf will win?"

The old man simply replied,
"The one that you feed."

Which wolf do you feed?
